ColicSTOP Complete \$60.00 *

ColicSTOP Basic (ColicSTOP 1 and 2 Only)

ColicSTOP 1 and 2 are designed to effectively treat the majority (approx. 73%) of equine colic types. Many people find that they only need to give ColicSTOP 1 and 2 to stop their horse's colic episode. Therefore, we offer this economical package as a refill for the partially used ColicSTOP Complete kit.

Economically minded horse owners can also purchase this as a stand alone colic emergency treatment!

ColicSTOP Basic (1 and 2) \$ 34.00*

Here is some other great Flora & Fauna Equine stuff:

“Grain Bin Bandit” treatment for horses
Includes 12 oz of “CleanUp” and dosing syringe
Excellent colic and founder prevention
Perfect treatment for “grain bin bandits” and naughty overeaters.
Natural intestinal toxin neutralizing formula
“Grain Bin Bandit” \$19.00*

ToxSTOP Canine
3.5 oz, comes in convenient dosing syringe
For DOGS, cats and other small animals
Powerful toxin neutralizer, intestinal poison antidote
ToxSTOP \$13.65*

LaminitisSTOP kit
All natural, highly effective treatment in the initial, acute phase of founder (laminitis).
Stops the enterotoxin inflammation that destroys hoof integrity!
3 containers of LaminitisSTOP† (12oz each)
1 dosing syringe and instructions for use
1 “Laminitis Warning Signs” information page
1 “Causes of Laminitis” information page
1 “What to do if my horse is foundering?” information page
LaminitisSTOP \$53.00*

Share your shipping costs with a friend!† The above shipping includes 1–4 items.
Please call (808) 443–6085 for orders shipped outside the US, and for discounts on 5 or more items.† Business hours are 10am to 6pm, PST. All other calls are answered ASAP!

Other Purchase Information

Veterinarians, Equine Professionals, Hoof Care Professionals are invited to call us to discuss our “Professional Partners in Colic Care” packages at (808)443–6085. Dr. Boyd will be glad to discuss the biomechanics of our products with you, and discuss how ColicSTOP can work with your treatment protocols synergistically to maximize their effectiveness.

Farriers and Hoof Care Professionals are especially invited to consider the purchase of LaminitisSTOP and “Grain Bin Bandit” for resale to their clients who have a horse in the beginning stages of founder, or a horse at high risk of founder. Professional bulk discounts are available for this purpose.

Tack and Feed Stores: Our products are priced at “wholesale to the public” pricing to make them as available as possible. We do also offer additional discount pricing for large orders upon request. Please call (808) 443–6085.
